Mini Battery Air Pump TX-261

Compact and portable

79 g

5.1 x 4.4 x 4.4cm

Portable and compact

Take your adventures to new heights with the mini air pump. Powered by a substantial 1360mAh battery, this compact device ensures you never compromise on inflation power, no matter where your journey takes you

Illuminating Adventures

Unleash the night with the built-in LED camping light featuring three intensity levels (40 / 200 / 400 Lumen). It's not just a pump; it's a multifunctional tool that lights up your outdoor experiences

Universal Nozzle Options

With 5 nozzles included, this air pump becomes your go-to solution for most small and large inflatable products - from camping gear to swimming rings and inflatable furniture, catering to diverse needs effortlessly

Convenience at Your Fingertips

TX-261 is your ticket to hassle-free inflatables and well-lit adventures. Whether it's ultimate comfort on camping trips, quick setups at the beach, or a stress-free night's sleep, this tool ensures you're always prepared
