

## M2 Extension

<b>Model name</b>	EDH-WHI-SDRY-M2
<b>Colour</b>	White
<b>Rated power per heating element</b>	45 - 55 Watt
<b>Nominal voltage/frequency</b>	230 Volt / 50 Hz
<b>Dimensions</b>	L x W x H = 520 x 90 x 18 mm
<b>Weight</b>	per heating element: 820 g    per Packing Unit: 1.640 g
<b>Surface temperature</b>	65 - 75 °C
<b>Control</b>	None for direct connection, optional timer
<b>Power connection Cable</b>	Length: 145 cm/cross-section: 2 x 0.75 mm Euro plug to IEC plug C7
<b>Connection Cable</b>	Length: long cable 75 cm/cross-section: 2 x 0.75 mm    IEC plug C8 to IEC plug C7
<b>Surface</b>	High-quality, mechanically resistant ceramic composite heating plate with ideal radiation properties. Washable
<b>Rear side</b>	Temperature-resistant lacquer, solvent-free, resistant to conventional solvent-free and acid-free household cleaners up to 5 % alcohol content
<b>Heating element</b>	Composite layer of nanomaterial and silver
<b>Electrical load capacity</b>	Up to 5 SDRY heating elements per connection cable
<b>Mechanical load capacity</b>	Avoid mechanical loads
<b>Suspension/mounting</b>	Included in the scope of delivery: Dowels and screws (Torx), Feet are included for alternative installation
<b>Warranty</b>	2 years
