Power Inverter  
DC 12V to AC 230V

2x 230V  
Sockets

LC-Display mit  
Voltagemeter

Automatical Turn  
Off with Alarm

2 xUSB 1 x USB-A,  
max. 3 A each

Overcurrent  
Protection

2000W continously  
Output Power

Real Sine Wave

Built-in  
Ventilation Fan

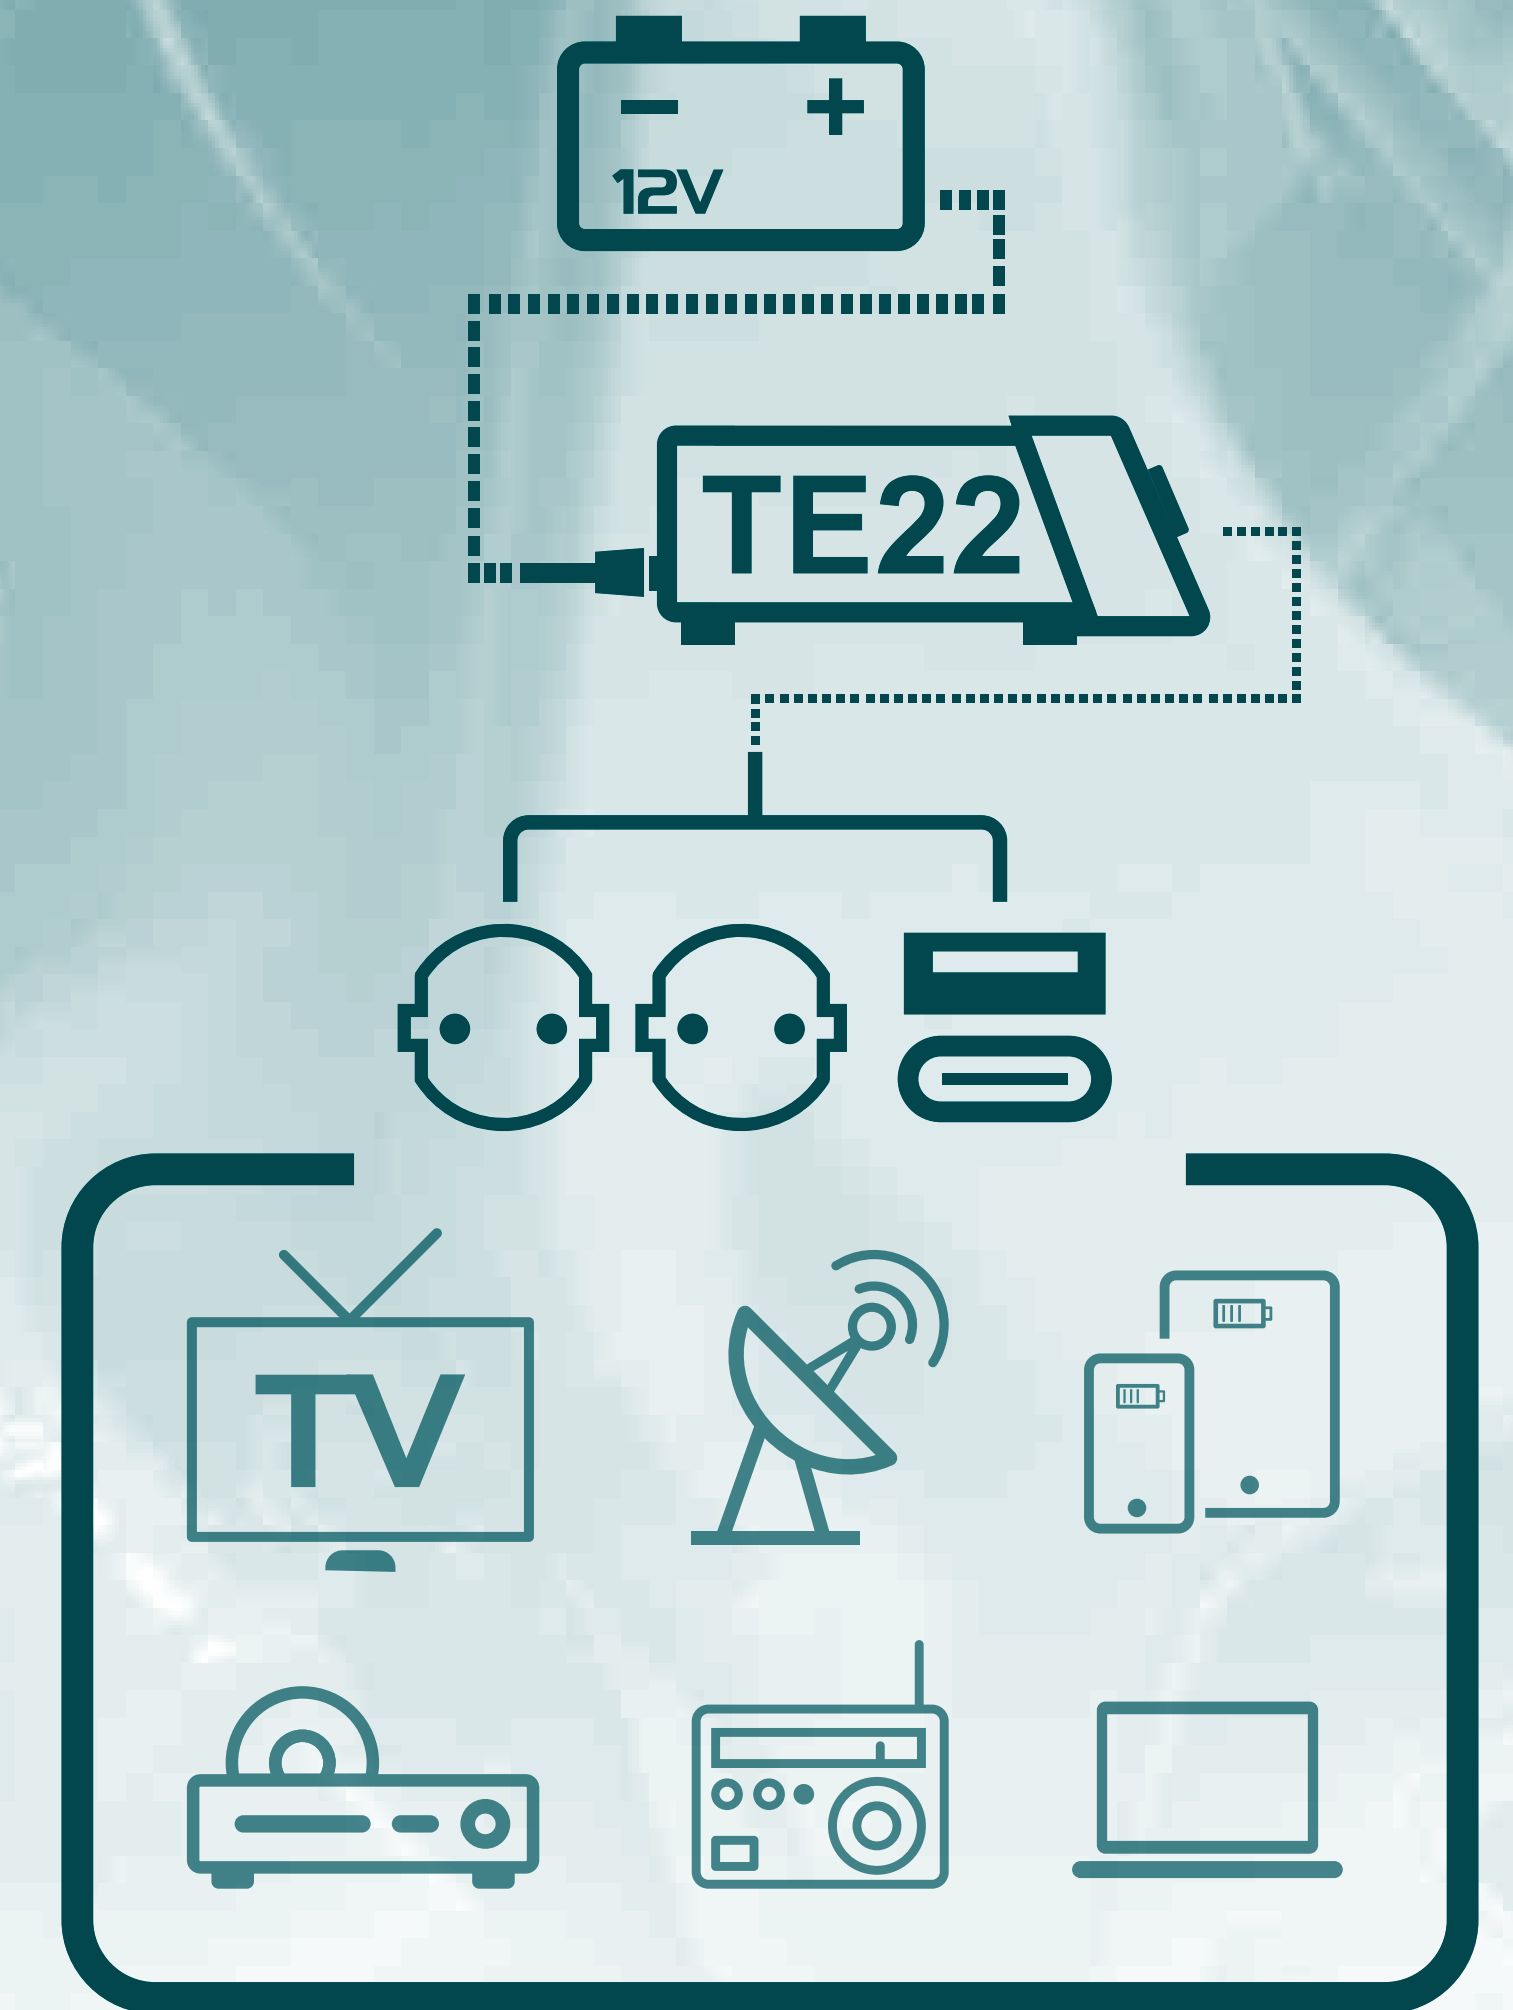

High & Low  
Voltage Protection

# Package Contents:

Power Inverter 2000W TE22,  
Fixed bracket on device,  
2x 60cm connection cables,  
User Manual

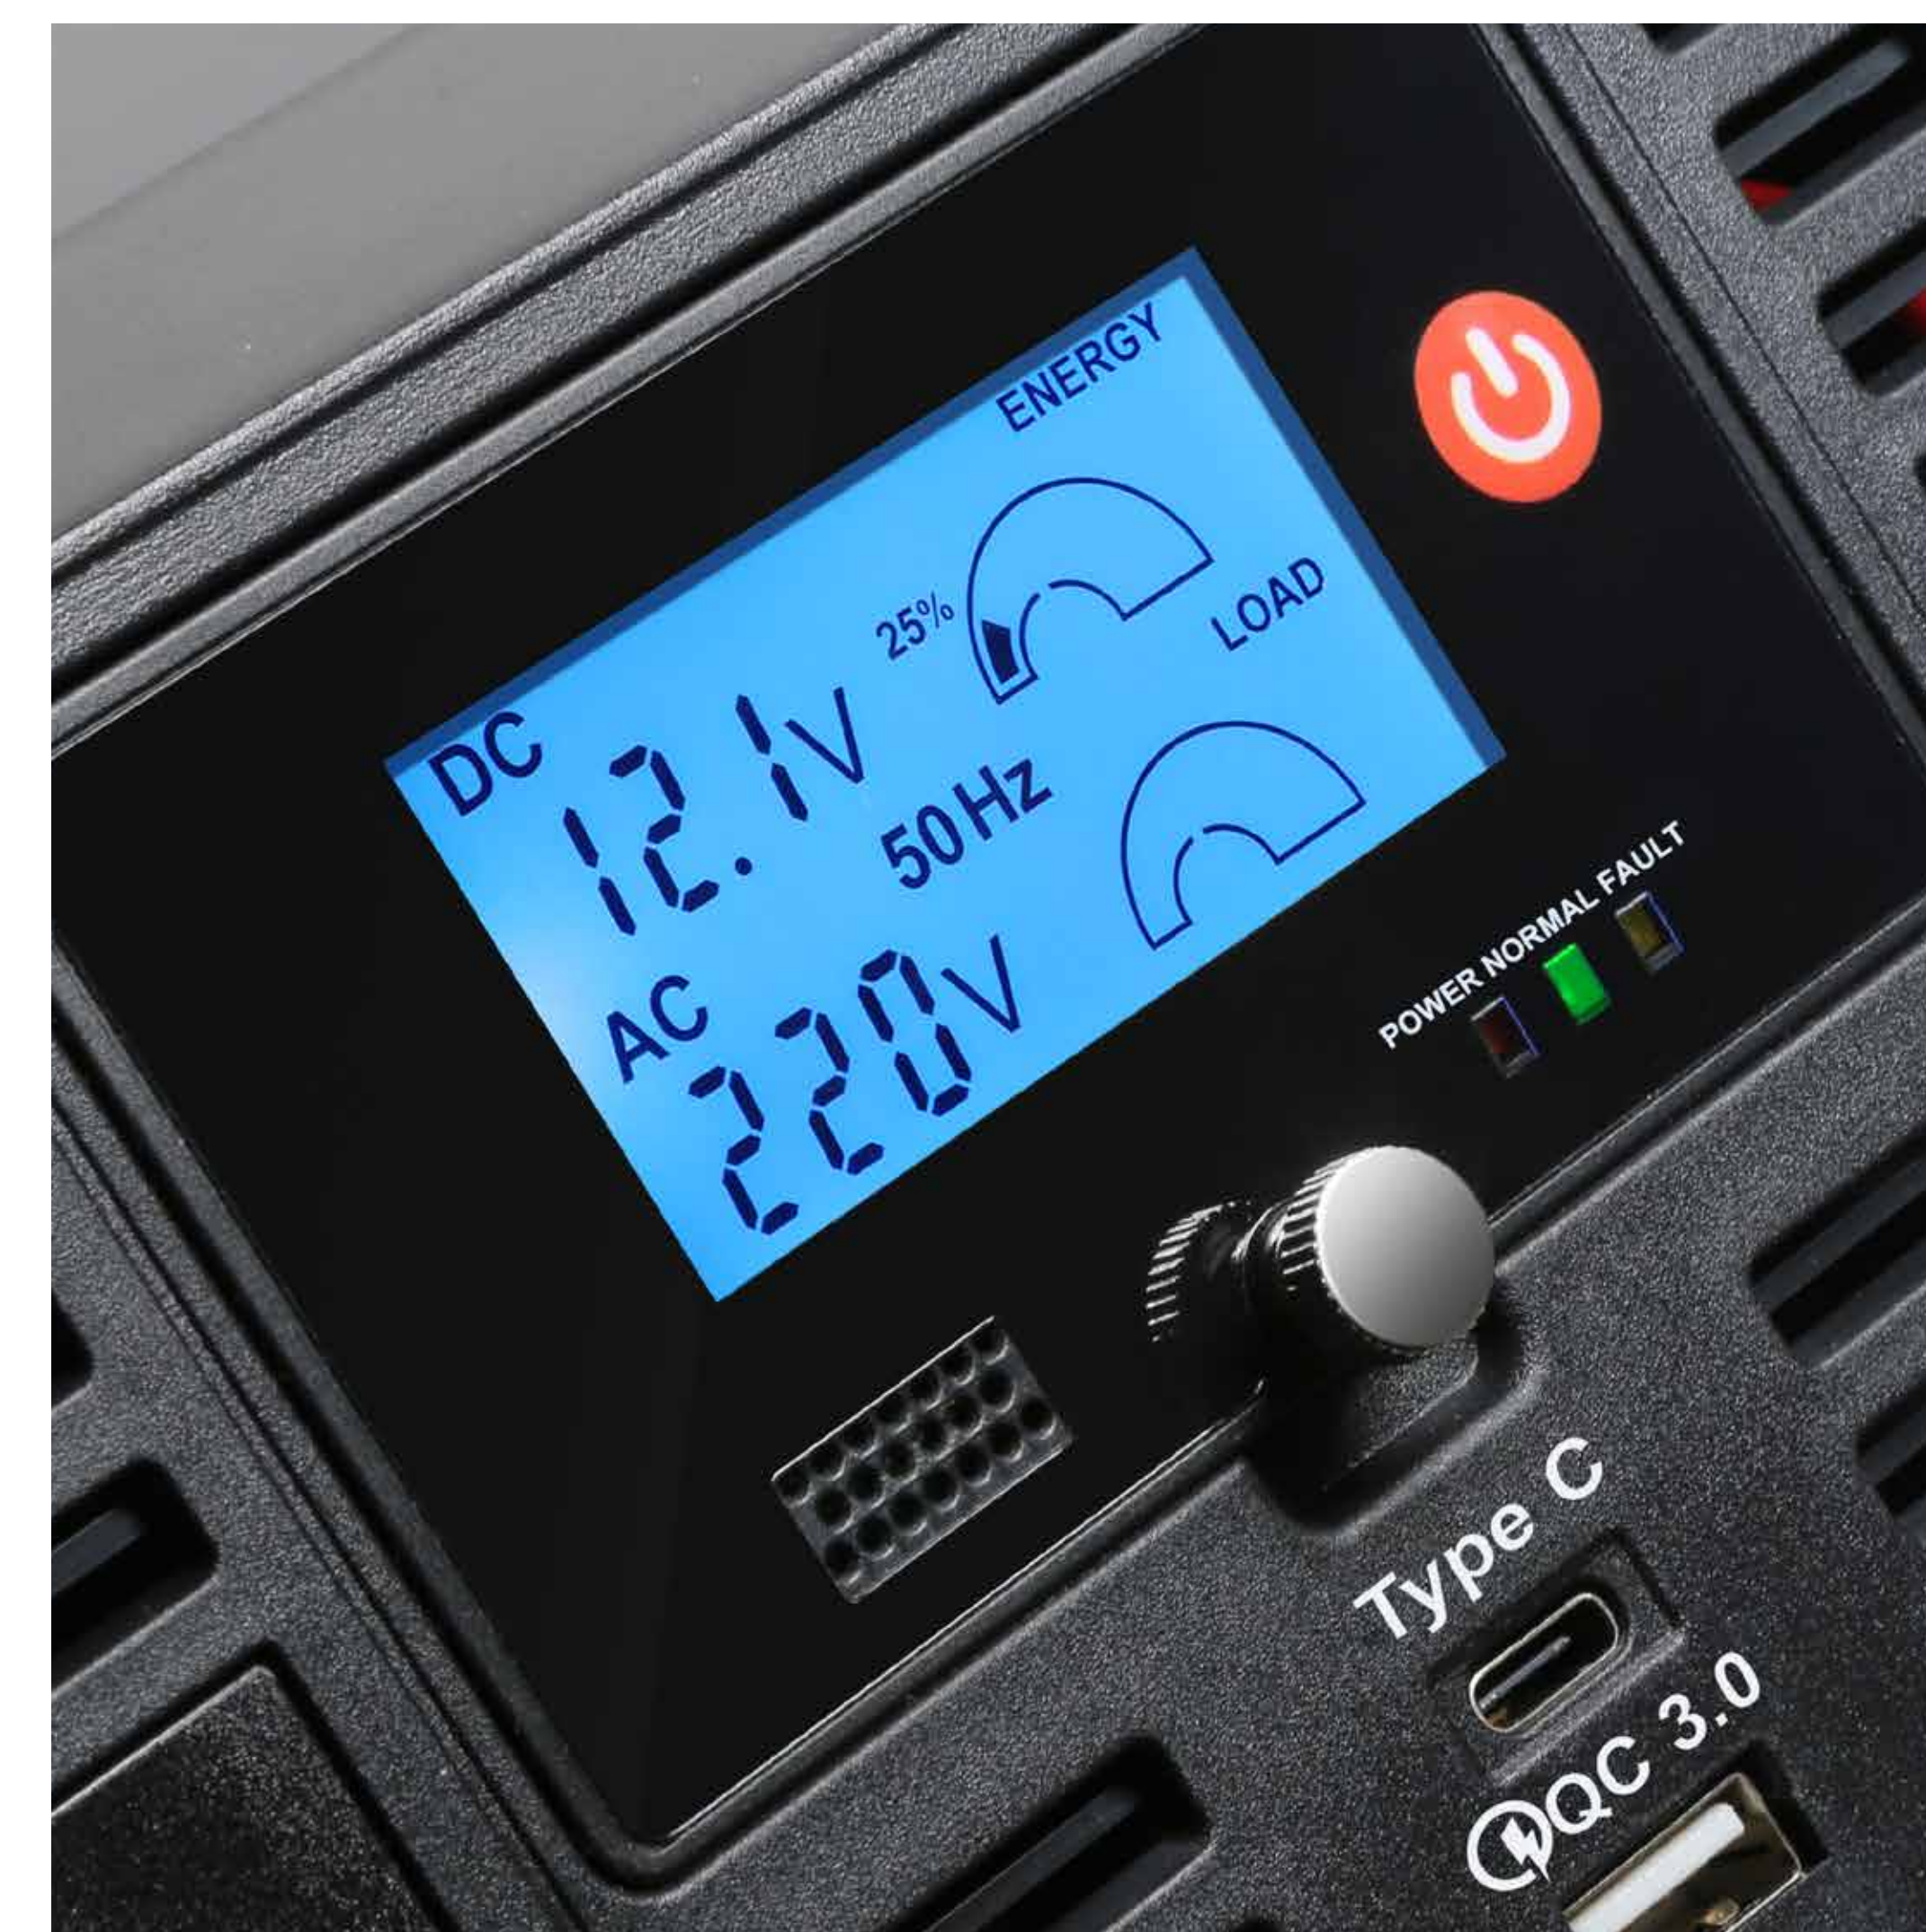

## Multiprotection

With automatic safety shutdown to secure the car battery (alarm at ~10.2V & ~15,8V) and protection against overload & short circuit. Also, ac for car has overheating protection through built-in ventilation and fixed bracket on device for secure attachment.

## Various fields of application

Technaxx TE22 voltage transformer is intended for installation in cars, caravans, boats etc. Easy connection to 12V batteries.

## Multi-purpose inverter TE22

Convert 12V DC battery voltage to standard 230V AC mains voltage to connect a wide range of electronic devices: tablets, smartphones, laptops, camping accessories, GPS devices, etc. Powerful output power of 2000W (max. continuous) and 4000W (max. peak).
