### Bluetooth & Handsfree

Bluetooth version 4.0 with transmission distance ~10m and simultaneous connection with up to 2 mobile phones. Safe driving with handsfree function. Crystal clear voice quality you will be pleased of.

### Easy Charging

Easy charging through the cigarette lighter socket, AC charging adapter 500mAh and charging voltage adapter (USB port DC 5V) are great functions for this car Bluetooth system.

### Speaker

Built-in duplex speaker provides loud, quality and stable audio and replaceable rechargeable lithium-ion 600mAh battery with 3.7V allows you to use it even outside the vehicle.

### Simple Fastening

Simple fastening with a multi-functional clip. Just clip it to any surface and any part of your car to feel maximum convenience. Mount it to your car sun shield, seatbelt or even to dashboard air vent, full freedom.
