**10A Battery Charger  
with Compressor TX-193**

TECHNAXX<sup>®</sup>  
GERMANY

Various adapters  
included,  
(bicycle, ball  
needle etc.)

### Powerful Air Co mpressor

Don't worry when you get the flat tyre – the car tyre pump ensures fast and efficient inflating. There is also digital pressure regulator with automatic cut-off which protects from overinflating.

### Multiple Connections

Multipurpose: The device is ideal in your garage as you can charge the car/motorbike battery and pump the tyres. The car tyre pump has various adapters which can be used to pump bicycle and car tyres, balls, etc.

### Practical

Practical: If your car battery has run low or you have left your car in storage over a long period of time - this kit will help you to charge up the battery fast and seamlessly.
