Hot-Cold LX-041

Heat, Cold, Massage

Experience the power of dynamic temperature control with Lifenaxx Massage-Heat-Cold-Therapy Pro LX-041. Choose from 6 therapy levels, including 35°C, 40°C, 45°C heat and refreshing 10°C, 15°C, 20°C cool levels. Target muscle recovery like never before.

4 Customizable Massage Levels

Tailor your massage to perfection with 4 adjustable levels. Whether you prefer a gentle touch or a deep tissue massage, LX-041 caters to your unique needs. Elevate your recovery game with a massage gun designed for you.

Versatile Massage Heads

Unlock a world of possibilities with 5 interchangeable massage heads. From deep tissue to relaxation, we offer a variety of options to suit every need. Elevate your massage experience and enjoy a personalized, full-body recovery.

Portable and Comprehensive

Take your recovery on the go with the portable case included in the kit. With USB-C charging, user-friendly operation, and a variety of massage heads, this is your all-in-one solution for on-the-fly muscle relief.
