# Package Contents:

- TrendGeek TG-125
- Mini-USB cable
- Cleaning cloth
- User manual

# ***Binocular with Camera TG-125***

- Lens diameter: 25 mm
- Sensor Type: CMOS
- Video resolution / frame: 640x480 / 30fps
- Photo / Video / Audio: JPEG / MPEG / 16Bit
- Connection: Mini-USB
- Weight / Dimensions: 230g / 17.2 x 13.5 x 6.5 cm

## Binocular Camera

Binocular Camera - combines an excellent all-optics binocular system with a digital video camera. 640x480 (30fps) video recording and 1280x960 (JPG) for photos capturing.

## Power Supply

2x AA Batteries (LR6, Lithium, NiMH) (not included) and MicroSD card up to max.32GB support makes it really convenient for outdoor usage. Long work time and long lifespan is truly enough to satisfy your curiosity.

## 10X Magnification

10X Magnification -- closer look with 10x magnification optical glass. Clear details on video and images. Perfectly realizes the dual functions of telescope digital imaging and video recording
