

Mini Battery Air Pump Pro TX-299

with powerbank function

Powerful
air pump

Inflation and
deflation function

Powerbank
function

With 5 nozzles &
versatile use

LED light

3600
mAh Large battery

- Powerful air pump
- Large 3600mAh battery
- Powerbank function
- LED light
- With 5 nozzles
- With storage bag

Technical Specifications:

- Inflation speed / pressure: 300 L/min / 4.5 kPa (max.)
- Power: 17 W
- Battery capacity: 3600 mAh / 3.7 V
- Charging in-/output: DC 5 V / 1 A (USB Type C / A port)
- Charging time: approx. 2.5 h
- Running time: up to 30 min inflation or 12 h LED light
- LED: 50 / 200 / 500 Lumen
- Working temperature: -10 – 45°C
- Weight / Dimensions: 175 g / 5.5 x 5.0 x 8.4 cm

Package Contents:

Mini Battery Air Pump Pro TX-299, 5 nozzle, charging cable, bag, user manual

Article No.: 5194
