## Hints

● Only use the product for purposes due to its intended function ● Do not damage the product. Following cases may damage the product: Incorrect voltage, accidents (including liquid or moisture), misuse or abuse of the product, faulty or improper installation, mains supply problems including power spikes or lightning damage, infestation by insects, tampering or modification of the product by persons other than authorized service personnel, exposure to abnormally corrosive materials, insertion of foreign objects into the unit, used with accessories not preapproved. ● Refer to and heed all warnings and precautions in the user manual.

## Precautions

Read all safety instruction warnings carefully before using this product. Improper use of this product may result in damage to this or attached products. To ensure the products work well, never use this in the following conditions:

- Moist or underwater conditions;
- Conditions near heater or high-temperature service;
- Conditions with direct and strong sunshine;
- Conditions with adapter damage;
- Never dismantle the product without due permission, otherwise it may nullify the warranty clause.

## **Warnings**

● Do not focus on the device while driving to prevent any accidents. Do not use the device or change any settings while driving. ● Do not attempt to disassemble the device, it may result in short-circuit or even damage. ● Do not drop or shake the device, it may break internal circuit boards or mechanics. ● Keep the device away from little children.

## **Safety instructions**

● Never touch the product with wet or damp hands.  
● The product can only be operated with the voltage described on the device.  
● Do not place the product on an unstable surface. The unit could be damaged or persons could be injured. Any attachments should be made only in accordance with the manufacturer's instructions or obtained from the manufacturer.  
● Avoid placing excessive stress on the USB plug, especially at sockets and plugs.  
● Do not insert any objects into the openings of the unit, as current flows in some places and contact may cause fire or electric shock.  
● Do not use liquid cleaners or cleaning sprays. The product may only be cleaned with a damp cloth.  
● Do not connect any additional devices that are not recommended by the manufacturer.  
● Do not use the product in direct sunlight or places where the temperature may exceed 50°C for a long time.

## **Disclaimer**

● In no event shall Technaxx Deutschland be liable for any direct, indirect punitive, incidental, special consequential damage, to property or life, improper storage, whatsoever arising out of or connected with the use or misuse of their products. ● Error messages may appear depending on the environment it is used in. ● Technaxx Deutschland is not liable/responsible for non- recording of events, missing files, etc.
